

Client Case Study Ref: 24/034

Aviva contracted 24 Ltd for 2015 & 2016 to Design and supply and install the following : Client zones / Café / Meeting and Break out zones for their buildings in Norwich / York / Manchester / Sheffield / London/Bristol.

Contract Value : 2.4 Million Pounds.

24 worked with the in-house team at Aviva to develop the package to accommodate the ever growing needs to have a relaxed but professional meeting and breakout space for both Aviva staff and clients.

24 Ltd have so far delivered and installed across the 6 sites the Senator/Allermuir based furniture package which has been received with great enthusiasm from the Aviva Project team with the response from the end users for the sites really benefitting from the new layouts and furniture.

Aviva have contracted 24 Ltd for 2016 and 2017 to continue the roll out programme across further properties in the group covering Scotland and further London buildings in the group.
