

# Client Case Study Ref: 24/047

Hitachi Data Systems has been a contracted 24 Ltd client for 16 years and in 2015 requested the following : Meeting rooms / Café and Restaurant / Break out zones / Meeting Pods for their buildings in Stoke Poges / Bracknell / London.

Contract Value : 590k across 3 sites.

24Ltd worked with the Architects AI Associates and the Hitachi in-house facilities team to develop the package to accommodate the newly refurbished European Headquarters at Stoke Poges and this package was in turn rolled out to the Bracknell and London locations.

24 Ltd worked with the Senator/Allermuir based furniture package mostly for this project supplying a variety of Dine bench / Haven soft seating and Adlib tabling systems and Sole Dining areas.

Hitachi has requested 24 Ltd to work on a new project for the same style of layouts and furniture for a further London location in 2016 2<sup>nd</sup> quarter.
